Others in attendance: Fr. Nick Radloff
 Father Nick opened the meeting with a prayer.

Meeting was called to order.

- April 29 minutes were approved by consensus.
- Year to date profit & loss was reviewed and approved.
- Archdiocese Annual Financial Report was reviewed and approved.

Pastoral Business

- No council members terms are up this year so members will remain the same
- Council officers for 2021-2022 were discussed and voted to remain the same: Jean Wiemann chair, Tammy Vrzak Vice chair, Jackie Novotny secretary

Building and Grounds Business

- Window re-leading - Will wait another year to discuss if this is financially feasible after donations are leveled out (post Covid).
- Repainting of arch over entry doors - This area most likely needs tuck pointing, not just painting. Father will contact the company that did the work on the St. Lucas church for a quote.
- Tree removal
 - no news regarding the tree at the Balk Tank that needs to be removed
 - Tree in front of the church has been cabled to prevent it from splitting from storm damage.
 - Thank you to Scott Steinbeiser for all of his time and work on trimming the trees on the church grounds.
- Water damage - with the recent storm and heavy rains, the hose came off of the sump pump causing rain water to accumulate in the church basement. No major damage was sustained. Fortunately all items in kitchen are off the ground. Gary and Nancy Cuvelier dried it out and cleaned the basement afterwards.

New Business:

- Breakfasts will start again in October with the winter mass schedule. The first breakfast will be held on October 10th.
- Card parties normally held in November and February will not be scheduled at this time with the numbers of Covid cases increasing again.

The meeting was closed with a prayer.
