Discussed Cluster Mission and possible topics. Father asked for ideas. He is thinking it will run a Sunday, Monday, and Tuesday. One suggested topic was Evangelism.

Discussed RAGBRAI and talked about letting the 2 parishes that have the route coming through (Lawler and Waucoma) could do something within their parish. Waiting on official route to be released and will discuss again at our next meeting in June.

Totus Tuus will not be held in cluster this year. Father said he would talk to neighboring parishes and see about anyone from our cluster that wants to attend could do so at either New Hampton at Cresco with the cluster contributing funds to their programs. This would save money as it is expensive to bring them to our cluster for the amount of kids that have been attending. Wants to make good financial use of our funds.

Elections are next month....for Cluster Council Julie, Melvin, Kyle, Kathleen, Leon, Barb have terms up. Leon said he would stay on, Barb and Kathleen have opted to step down. Father will get ahold of Julie, Kyle, and Melvin to see what they would like to do seems they were not at the meeting.
