Old Business

Cluster Pictorial editing is all done, waiting on layouts.

Mission is still in discussion...each time Father finds someone they have a conflict and it doesn't work out. Father is still actively looking.

New Business

Went over Lenten schedule. Father will be offering Stations of the Cross at different parishes every Friday during Lent. He will have adoration before and confession after some masses. He is going to have the Easter Triduum in 3 separate parishes.

Talked about having different speakers come in to the Religious Ed program and talk about how their faith has impacted their life. Father would appreciate anyone who would like to volunteer or has a suggestion of someone to ask.

Jim Franzen has a request from a parishioner for an expanded budget from Trinity Catholic School. Father was going to see about getting that information. He also discussed about having all the parishes pay the school subsidies. He will talk to the individual parish boards.
