Old Business

Update on Photo Directory and we are waiting on Fathers write up for the book and it will be ready for the printers.

Cluster Mission is looking possible for 3 days in October. Father is working on finalizing the details.

School Expansion was given the go ahead by Bishop Pates. They are working on paperwork. Next step after that is to have each parish represented by 1 school board member.

New Business

Review of financials and the fiscal year end should be very similar to last year. Father noted one expense that is higher is the mileage rate. The IRS raised the compensation rate for all the diocese so that takes the expense up.

Motion to approve Jodi Steinlage, 2nd by Jim Kriener

Father also noted that he is hosting a trip to Rome from April 4-12th and to spread the word for anyone who may be interested.

Next meeting will be in the fall TBD
