The regular Finance Council meeting was called to order on April 7, 2022 at 6:32 PM in Fort Atkinson. Fr. Radloff began the meeting with a prayer. The members reviewed the minutes from the January meeting, which were accepted by consensus. Next, the members reviewed the financial statements including the profit/loss sheet and balance sheet.

Financial / Pastoral Business: New council members were discussed. Erica Bodensteiner has agreed to a second term and was appointed as the Chair for next year. Don Lynch will be the Vice Chair. Father will search for replacements for members whose terms are expiring.

Building and Grounds Business:

Bell Tower – We still don't know if the current striker in the bell is operational. Brad Best will test the bell when they come out after Easter. We are also looking at two options for lighting. We will know more after they come to check it out.

South Parking Lot repairs – This will be tabled again until after the big equipment is done with the Bell Tower repairs.

Metal awnings – we will hold off painting the metal awnings until after the Bell Tower is done.

Dumpster & Trash Collection – Jendro will provide a 1 ½ yard dumpster with on call pickup or weekly pickup. Don motioned to approve the weekly pickup for \$61/month. Tim seconded the motion. All were in favor.

Internet connection in the church – we would like to have internet connection available for live streaming funerals and for the faith formation. Pricing was discussed and we decided to look into Hawkeye telephone for the internet connection since they had the best prices.

The meeting ended at 6:53 PM with prayer. The next meeting will be TBD.
