Father opened with a prayer

October's minutes were reviewed.

Motion made by Leon to approve the minutes seconded by Patty.

**Review financial statements**

Father reported our Parish is in good financial shape.

Note to thank everyone for their great financial support.

**Parish Vitality Survey's** have been sent out. Please respond to them, as it is important to let them know how active our 6 parishes are.

Father Nick was on the survey planning committee and is hoping for many responses, they could possibly result in getting help for our 6 parishes.

**Building and Grounds Business**

\*Rectory driveway has been repaired by Frontier Mudjacking, and looks to be well done. Also repaired sidewalks.

\*Sacristy Door & Motion lights are for future consideration.

It was suggested that sometime in the future we take a look at redoing our entry way.

Ideas would be up for discussion.

Next council meeting TBD
